

Welcome! Thank you for visiting our family farm and forest.

Upon arrival grab a saw, map and additional info from our greeters and head into the farm.

Park in any open area or just off the road under the mature trees. Please keep your vehicle there until you are ready to leave as only a small amount of "short term" parking is available in the gift shop area.

Explore the farm while you look for your tree. Take time to wander the fields and hang out at one of the campfires spread out amongst the picturesque mature forest, all planted by previous generations of Hansens.

Find your tree, cut it down and bring it to your vehicle. Remember, you may select any tree that you'd like however all choose-n-cut trees are the same price (except "colorful" trees) no matter the size. If you want assistance please ask and we'll be happy to lend a hand!

Activities! Hayrides, gift shop, music and food & drink are all part of your experience and included with your tree purchase. Our legendary Christmas sausage (and hot dogs) are served inside the gift shop and hot cocoa and cider are served outside near the main campfire as well as at the Central Station.

Ready to leave, put your tree on/in your vehicle and head for the "Pay & Tree Tie-On". Our team will greet you and you'll pay for your tree via mobile checkout. If you've paid online just show us the email receipt! Workers will shake, bale and tie the tree onto your vehicle. Wreaths and other decorations are located in this area for a quick grab on your way out.

Photos Only? If you've arranged to meet a photographer please follow their instructions for where and when to meet. Popular locations are numbered campfires (1-13), East Shelter or Central Station. Feel free to enjoy the activities mentioned above before or after your session.

Christmas 2024
